NOTICE OF CANCELLATION

Notice is hereby given to the public and all prospective bidders that the procurement process for the below PROJECTS, originally published on October 20, 2026, is formally **CANCELLED** pursuant to BAC Resolution No.10, Series of 2026, approved by the Head of the Procuring Entity (HoPE).

Lot 1: Public Bidding for the Supply and Delivery of Labor and Electrical Materials/Equipment for the Construction and Commissioning and Testing of Telapayong Substation Utilizing Existing 10/12.5MVA Power Transformer from Anao Substation including its repair and transfer – **Php 33,548,475.00**

Lot 2: Public Bidding for the Supply and Delivery of Labor and Electrical Materials/Equipment for the Construction, Commissioning & Testing of 69kv Interconnection Line from NGCP Tower to 10/12.5MVA Telapayong Substation – **Php 3,265,041.96**

Lot 3: Public Bidding for the Supply of Labor and Electrical Materials for the Construction of outgoing Four (4) Feeder Lines for 10/12.5MVA Telapayong Substation – **Php 2,621,504.60**

This decision has been made in light with the **latest NEA Memorandum 2026-45: Equipment and Materials Price Index 2026 for Substation (Unbundled)**. Upon review by the Engineering Service Department (ESD) and the BAC, the current Approved Budget for the Contract (ABC) requires necessary re-evaluation and adjustment to accurately reflect prevailing market costs and material prices. Proceeding with the current baseline would not align with realistic market conditions or redound to the best interest of the cooperative.

For prospective bidders who have already purchased and secured the bidding documents, please coordinate with the BAC Secretariat regarding the processing of bid documents payments refund.

We apologize for any inconvenience this cancellation may cause and deeply appreciate your understanding, cooperation, and continued interest in doing business with PRESCO.
